LAMININE OMEGA+++ ENDORSEMENTS

Circulatory Health

"I've been taking Laminine and Laminine OMEGA+++ since January of 2014. Since I was a kid, I suffered from skin problems on my face, neck, chest and back. I tried many remedies but none of them worked. After taking the LPGN

products for just half a year, I enjoy even and smooth skin on my back, face and chest and you'd never know I had issues previously. A scar on my left cheek is now gone and I feel so much better now that I don't worry about my appearance. I am thankful to LifePharm Global Network."

- Anton T., U.S.A.

"My son was attacked, and the doctors had to surgically remove his spleen and operate on his kidney. The doctors prescribed him medication but he took Laminine and Laminine OMEGA+++ as well. After just two months, my son stopped taking the prescription medications but stuck with Laminine and Laminine OMEGA+++ . After a couple months, the surgeon who operated on him was surprised and impressed at how quickly my son recovered. I now make sure we always have Laminine at home. I call this our little miracle capsule."

- Santa A., U.S.A.

"My favorite reasons for being part of LifePharm Global Network are: The products provide wide and varied results that lead to ongoing changes to the body and lifestyle. Laminine and Laminine OMEGA+++ facilitate the body's capabilities to reach new advancements in health and well-being. I always feel things changing in my body and my energy levels, and it's a joy to share with friends and family, as I am living proof of what the products can do. The finances are a fringe benefit of having optimum health and the ability to share with people I love."

- Andrew F., Australia

"My favorite reason for being part of LPGN is that this unique and amazing product has given back to me my husband. I have been with other network marketing companies over the years, as I was desperate to find a product that would help my husband out of his relentless emotional issues. It was hard and the products I found didn't make a difference in my husband's terrible health. I am actually still shocked at how truly amazing Laminine and Laminine OMEGA+++ are. Our health has improved significantly, and I've never experienced anything like this before."

- Alice C., Australia

"I've had the pleasure of taking Laminine OMEGA+++ for a month now and I was a little surprised it worked as quickly as it did. My circulation has improved, I sleep more peacefully and have more stamina. I just started taking Laminine, too! I'm going to take both at the same time so I can take this opportunity to the next level. There is no stopping us now! We've truly found great health and wealth in a bottle."
